Dear Sir or Madam:

I received a USPTO notice with a mailing date of 7/31/2009 that my application file was lost. I have done my best to assemble copies of everything I have available. Enclosed please find:

- Document submission groups A-N. Some are photocopies, and some are reproduced from the electronic files I have maintained.
- The RCE form (PTO SB30) in groups J and N, and Petition for Revival form (PTO SB64) in group L, are recreations. I generated these because I did not retain copies of the originally submitted forms.
- The PALM copy sent me by USPTO, on which I have noted the correspondence of the groups A-N noted above to the USPTO recorded event history.
- The signed PTO-2054 statement that I believe this record to be accurate.

Please do not hesitate to call at the cell phone number listed above if I can be of additional assistance.

Sincerely,

Mark R. Williams
